Mischievous Elves & Faeries

Remember, our free SORA app has hundreds of audiobooks and eBooks available for the children to download!

The Peculiar - Stefan Bachman

Bartholomew Kettle won't love long. Changelings never do. The child of a human mother and a faery father, he is despised by both his races. But one day Bartholomew suddenly finds himself at the centre of a web of intrigue and danger that spans the entire country. A powerful figure sits in the shadows, pushing the pieces in place for some terrible victory. Something is coming for Bartholomew. But when you're a changeling, there's nowhere to run.

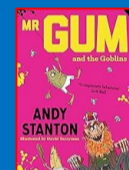

The Elves and the Trendy Shoes - Evelyn Foster

This is an inventive and amusing twist on the traditional fairy tale.

Lola and Larch save the Sunshine Spell - Sinead O'Hart

Euphorbia Spurge has sent bad magic across the forest and it's turning all the plants wild! Lola's granny is thrilled because her garden is looking lush, but Larch is sure she saw a courgette, wave and smile at her - and they're not supposed to do that, are they? It's time for Lola and Larch to head into the forest and grapple with a green-fingered fiend!

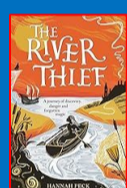

Mr Gum and the Goblins - Andy Stanton

Well, that old roo-de-lally Mr Gum and the hideous Billy William the Third are once more mucking things up for everyone. They're a-schemin' and a-hatchin' an' making their bad plans up on Goblin Mountain. Andy why? Because they're raising up an army of goblins to stink up the town of Lamonic Bibber once and for all!

The River Thief - Hannah Peck

When Adderley discovers Elf - a being who seems part human and part fish - in the river by her home, she is drawn into an adventure that challenges everything she's learnt about the world. Elf is searching for a special stone that she says has been stolen from her people. Could this be the key to the drought that is destroying Adderley's home?

Library Champions

The library lunchtime club run by our amazing Library Champions is always well visited.

The children can obtain a library pass from the lunchtime supervisor team and then either read quietly in the library or do some colouring / craft activities.

Isobel and Sophia have recently designed a display highlighting diary books.

It's simply NOT rubbish

We are very grateful for your ongoing support. To date we have collected and sent of 121 kg (!) worth of rubbish.

Terracycle transforms the usually non-recyclable waste into things like playground equipment, running tracks and park benches.

Accepted waste:

Bread programme: plastic packaging from bread, bread rolls, wraps, bagels etc. - any brand

Pringles programme: only pringles tubes - no other brand

Sistema programme: plastic food storage containers (such as tupperware) including plastic takeaway containers, reusable drinks bottles

World Book Day

We had a fantastic World Book Day recently! The children absolutely loved being immersed in the world of books, with some year groups pairing up to 'share a story', and taking part in the 'Masked Reader' quiz.
