	<p>PE days Tuesday and Friday</p>	

What you can do at home

Year 6 is a very busy year that will absolutely fly by!

Reading - It is essential that you read regularly with your child at home. Encourage them to explain answers by using evidence from the text.

Spelling - Please help your child to learn their focus spelling rules and the spelling words for their Spelling Bee test.

Times Tables- Please help your child to be confident in all of their times tables facts. It is important that they can recall these multiplication and division facts rapidly.
